FOR THE FAMILY OF JACK DWIGHT

Jack Dwight (home builder/remodeler from Billings) passed away on June 8th after a long battle with brain cancer. He was the sole breadwinner of the family but due to paralysis caused from the tumor, had not been able to work since January. As the Body of Christ – both locally and ‘at large’ – we hope to support Jack’s widow and her family during this trying time, as well as build a small nest egg to assist her for some time to come. Funds collected will go to help with recent funeral and related expenses, as well as establish a financial footing for Karen now that Jack is no longer

with her. Please help us bless Karen and her family by attending this event.
